Dear Joe,

Thank you so much for your lunch presentation to the CSMPS on Wednesday. You held us captive for 45 minutes on how we can profit from adversity. Your personal story is an inspiration in itself and was a great kick-off for our new season of meetings. Some of the feedback we received from the audience included "Wonderful speaker", "Could have listened to Joe all day", "Inspirational and moving", "I feel blessed", "Excellent topic".

We really appreciate your time and commitment to getting such a great message out to people in all walks of life. It is one that is universal and applicable to any audience.

Yours most truly,

Jane McKinney
Vice President, CSMPS
