RE: PRESENTATION – 14 MAY 2003

Joe I would like to take this time to thank you on behalf of the Air Cadet Squadron for your continued support to the program. Your presentation to the Cadets on 14th May 2003 at our Squadron HQ was nothing sort of outstanding! By watching the cadets and talking with them after, you certainly had an impact on them. You should be very proud of the work that you do for youth. Your message helps youth of today to become leaders of tomorrow.

It has been a pleasure working with you as the Commanding Officer of the Air Cadet Squadron in North Vancouver. I will be stepping aside in June and handing the Squadron over to Captain Tom Powell. He has your information on files and I expect you will be getting a call again for the third year to come to the Squadron and present your unique story.

Thanks again Joe, I am sure that our paths will cross many more times in the future. It has been a pleasure to know you and I continue to be a supporter of your cause. If there is anything that I can do for you now or in the future, please just ask and consider it done.

Sincerely,

Major Tim Alguire
Commanding Officer
