Attention: Mr. Joe Roberts

Dear Joe,

We were so very grateful to you for being our guest speaker at *Nocturno*. The event really needed you to speak from your heart about your past as a street youth and it helped so much to tie in the work that we are doing with the reality of life on the street and the ability of young men and women to take an opportunity and begin a new life. Your inspiring and heart warming words definitely complemented the overall theme of the evening.

I look forward to your future involvement with *Street Art Works Mentorship Society* and I sincerely thank you again for being an important part of our efforts to provide hope and a life for youth beyond the street. We succeeded in raising over \$20,000 over the evening and that would not have been possible had your words not influenced our patrons to generously donate to our cause and learn more about our work.

Yours sincerely,

Dianne Faber PhD
