Dear Joe:

Thank you for coming to speak at the Tri-Cities Chamber of Commerce luncheon on September 25th, 2003. Our members really enjoyed your innovative, passionate and honest presentation.

We were impressed with how you customized your story for our business audience. You provided tools such as a "Yes I Can" attitude that we all can use immediately to ensure the success of our own businesses.

It was a pleasure working with you and Aaron, and look forward to inviting you to join us again in the future. I have forwarded your name on to the Burnaby Board of Trade, and spoke to a Board member of the New West Chamber of Commerce as well regarding your inspiring presentation, and suggested they invite you to join them as well.

Thank you again.

Yours truly,

Marion Brandner
Executive Director
