Dear Joe Roberts,

Thank you for the presentation on June 24th at our Youth Drop in Centre. I was impressed with your professionalism and presentation skills. There was a hush in the crowd after the presentation and I knew at this point that you had made an impact. I know that some people were moved emotionally by the presentation. I am thankful that there are people like yourself who are willing to freely help out the youth in this society.

Sincerely,

A handwritten signature in blue ink that reads 'Harold Park'.
