Dear Joe,

Thank you for your inspirational speech at our annual Leadership Recognition Event on June 10<sup>th</sup>, 2003. The event was great success and, I believe, in large part due to your personal story of triumph!

You connected with our audience immediately and captivated them with your use of passion, humour and humility. You gave us a real life picture of the positive results of United Way dollars at work in our community. Your story is inspiring to us all!

Leadership donors make an incredible difference in our community by helping fund hundreds of programs and services that address social services needs throughout the Lower Mainland. Their support has helped thousands of people in our community. Thank you for demonstrating the impact of their gift!

I have attended several events since our Leadership Recognition Event and have been approached by many individuals thanking me for your speech. Thank you again for making our event a great success. I look forward to our lunch later in July.

Sincerely,

A handwritten signature in black ink that reads "Ron Dumouchelle".
