

Vancouver Gyro Club

Joe, the following reflects how well your presentation was received. Thank you again for taking the time to speak to the Vancouver Gyro Club. I realize you are a very sought after speaker and would hope you could make yourself available again in the future.

The Vancouver Gyro Club meets on the second Tuesday of each month and invites a speaker to each of its meetings. February 11th was a very special meeting, due to the incredibly inspirational presentation of guest speaker Joe Roberts. Joe shared many of his life experiences with the Gyro's and displayed what can be achieved when faced with adversity, if one has the inner drive to succeed. It was particularly persuasive to learn of the depth of despair Joe had reached, when he finally realized he wanted a better life; and to hear about the personal journey he traveled to reach his success of today. Joe was an inspiration to those in attendance that day and many members commented that he was the best speaker they had heard in many years.

Sincerely,

Gary Gatley
