

In order to serve you better we have developed a short checklist to assist in the set-up and success of our: ***"DON'T BUY THE LIE ABOUT GETTING HIGH"*** Presentation.

Help us help you by making sure this checklist has been covered off 30 minutes prior to each event

PRESENTATION CHECK LIST

- Presenting area must be available and clear 30 minutes before presentation time to allow for equipment set-up
- A large screen will be needed
- Access to the lighting system will be required
- 1 regular table (3x5)
- A power source close by
- Seating set-up before start time (this could be done while we are setting up)

Having these things in place will enable us to start the presentation on time and maximize the effectiveness of our program.

Thanks in advance for your cooperation.
