

YOUR DECLARATION OF INDEPENDENCE

When in the course of human events, it becomes necessary for one people to dissolve their beliefs which have connected them to a destructive way of living. It becomes apparent that they should so declare before all men.

We hold these truths to be self-evident, that all people are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, intellectual properties are instituted. From this foundation the people shall organize their individual power to pursue Safety and Happiness.

The current cavalier approach in our society today continues to produce casualties. The youth of today continue to morally and physically perish. As the war on drugs has so obviously been lost we must therefore wage our own war if we are to safeguard our future security. This war begins and ends with how we think,

The necessity for such change is evident as the tyranny of addiction continues to prevail. To prove this, let Facts be submitted to a candid world.

- 1. Addiction continues to infect and spread disease, killing millions*
- 2. Addiction is a leader in violence related crimes*
- 3. Addiction propagates greed and lust*
- 4. Addiction destroys Marriages, Families, Careers, and Finances worldwide*
- 5. Addiction is the leader in moral abandonment*
- 6. Addiction breeds the need for prostitution, theft and corruption*
- 7. Addiction is the leading referral service for the world's prisons*
- 8. Addiction costs the world billions monthly*
- 9. Addiction is cold, heartless and indiscriminate*
- 10. Addiction feeds on Death and Destruction*
- 11. Addiction twists and distorts the truth – Addiction is a Liar*

In every stage of these Oppressions, we have petitioned, begged and prayed for a better world. Our repeated petitions have been answered only by repeated injury. A Dark Prince, whose character is thus marked by every act which may define a tyrant, is unfit to be the ruler of a free People. For too long Addiction has been deaf to the voice of Justice. We must therefore agree in necessity to stand for the good of all when we pledge with all our heart and soul our individual temperance.

We, therefore, the people of a new decree, do solemnly publish and declare, to be Free and Independent from the disease of addiction; that we are Absolved from all bondage and dependence, and that all connections between us and addiction are hereby totally dissolved; and that as Free and Independent people, we have full Power to live clean and happy lives in accordance to our creators will. And for the support of this Declaration, we mutually pledge to each other our lives, our support and our sacred honor that we will no longer be fooled by the Lie About Getting High.

I _____,

Hereby declare, from this day forward my personal independence from Addiction
