

YOUR DECLARATION OF INDEPENDENCE

There comes a time in everyone's life when we have to evaluate what is right and what is wrong. The time is now.

We know that we want to live good lives. To be happy, free and live out our dreams. It is from this belief that we must stand for what is good and right.

In the world today drug use is taken too lightly. How many young people have to die before we wake up and realize our lives are at risk. Changing how we think about drugs is how we must protect our future.

This change must happen now because the problem is only getting worse. To prove this lets look at some hard facts:

- 1. Addiction kills millions through disease*
- 2. Addiction is a leader in violent crimes*
- 3. Addiction destroys Marriages, Families, and Careers*
- 4. Addiction sends more people to jail than any other crime*
- 5. Addiction costs the world billions monthly*
- 6. Addiction twists the truth – Addiction is a liar*
- 7. Addiction has/will kill someone close to you*

We have wanted this problem to stop but it continues. However much we pray and beg, addiction keeps on going. We must no longer stand by watching this monster destroy lives. We now must stand together and fight.

We now pledge, with this document, to stand against Addiction. We will no longer be fooled by its tricks and lies. From this day forward we announce our freedom and independence to live happy and productive lives. Together we pledge to each other our lives, our support and our sacred honor and promise not to be fooled by the Lie About Getting High.

I _____,

Hereby, declare from this day forward my personal independence from Addiction.
